I agree to pay regular membership dues for the entire 2011-2012 school year. Second, I acknowledge receiving a \$50 rebate of dues.

I hereby agree to authorize my employer to deduct from my salary in accordance with the agreed upon payroll deduction procedure or authorize EFT deductions for my membership dues as revised annually and political action contributions in the amounts indicated for the current membership year and each membership year thereafter, provided that I may revoke this authorization after September 1, 2012 by giving written notice to that effect to the local Association on or before October 6, 2012 or any subsequent year. If for any reason, excepting death, my employment is terminated, amounts still owing under this authorization shall be deducted from final pay due.

*The NEA-New Mexico Education Political Action Committee (EdPAC) will collect annual voluntary contributions from Association members and uses those contributions for political purposes, including but not limited to, making contributions to and expenditures on behalf of friends of education who are candidates for elected office. Contributions to EdPAC are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal.

Although EdPAC requests an annual contribution of \$6.00, this is only a suggested amount. A member may contribute more or less than the suggested amount or may contribute nothing at all without it affecting his or her membership status, rights, or benefits in NEA, NEA-NM, or any of their affiliates. I understand that dues payments (or a portion) may be deductible as a miscellaneous itemized deduction, though dues payments and contributions to EdPAC are not deductible as charitable contributions for federal income tax purposes.

**Six dollars (\$6.00) of the amount collected from Active Professionals (although collected in the same manner as dues) is a voluntary contribution to EdPAC. This voluntary contribution may be refunded to members who request it according to procedures contained in the NEA-NM Bylaws. Forms for requesting the refund are available at www.nea-nm.org and are published twice annually in the Advocate's Voice.

***Three dollars (\$3.00) of the amount collected from Active ESPs (although collected in the same manner as dues) is a voluntary contribution to EdPAC. This voluntary contribution may be refunded to members who request it according to procedures contained in the NEA-NM Bylaws. Forms for requesting the refund are available at www.nea-nm.org and are published twice annually in the Advocate's Voice.
