SEPTEMBER 7, 2010

We've won the battle for Education Jobs and Medicaid funding and because of **ALL** our efforts we have staved off the looming additional cuts to our schools that were about to greet us in September.

NOW, NEA-New Mexico is calling on YOU to again make the difference starting on Tuesday, September 7, 2010.

We need your help to:

- Elect a Pro Education Governor
- Elect Pro-Education Legislators
- Return our 3 Congressmen who support public schools
- Protect public school funding in the Legislature
- Shape the new ESEA in the right way

We begin the campaign September 7, 2010 with a simple act of advocacy. Contact your local leaders to get your bumper sticker. Put it on that day.

Get your colleagues to take 5 minutes so all of you can go to your parking lot and stick them on at the same time.

Continue the ACTION:

Throughout the rest of the fall:

- write letters to the editor
- send "Thank You's" to our 2 Senators and 3 Congressmen for their support at: www.nea.org/lac
- connect to NEA's "Speak up for Education" at: www.facebook.com/#!/speakupforkids
- volunteer to help elect our recommended candidates
- talk to parents about supporting our school funding
- urge your school board to issue a proclamation on how to change ESEA
- visit NEA Education Votes at: www.educationvotes.nea.org

Again, it will be up to us to make it happen; and just like the Jobs bill, WE WILL!
